

ENVIRONMENTAL POLICY STUDY COMMITTEE

Authorization: Resolution No. 41, adopted by the City Commission on December 4, 2007, established the Environmental Policy Study Committee.

Appointing Authority: City staff members of the Committee shall be appointed by the City Manager and the remaining Committee members shall be appointed by the Mayor and City Commission.

Purpose: The purpose of the Committee is to increase the City's efforts to incorporate environmentally responsible policies in the management of its facilities and services, including initiatives outlined in the Climate Protection Act Policy adopted in August 2006 and the 15% by 15 renewable energy policy goal adopted in March 2007.

Members: The Committee may have up to 19 members and will review and recommend environmental/conservation policy for the City, including recommendations for action to the City Commission. The Committee shall be composed of up to four City Commissioners, two city staff, as well as representatives from the community. Community representatives shall reside in the City of Battle Creek, or represent:

- small business located in the City of Battle Creek
- moderate to large business located in Battle Creek
- conservation experience
- manufacturing experience
- recreation experience
- legal or technical experience in environmental issues
- other interests as determined to be appropriate by the Commission.

Term: Two Years

Compensation: None.
