Minutes from Meeting on 12 January 2010

Members Present: Harry Zimmerman, Linda Morris, Rex & Shelby Winslow, Laura Clingenpeel, Durwood McCleary, Mike Fatt  
City Representative: Chris Hilton  
Guests:

This meeting was called to order at 7:00 p.m.

Regarding Advantage Physical Therapy: Chris Hilton advised a City Inspector visited last week regarding the brush and took no action because of the snow. The Inspector also found no violations in the "out building".

Christine has asked the City Attorney's office to review the statute on noxious weeds. Work is being done on the statute so that it will also be applicable to parcels greater than one acre. Completion is expected by Spring.

The belief was expressed that Advantage is in violation of the city code regarding Transitional Business Districts in that the "barrier" of trees that Advantage has planted is insufficient and they have failed to maintain the berm. Christine will send Advantage a letter directing them to correct this situation.

This subject will be reviewed again at the next meeting.

The matter of membership appointments will be addressed at the February meeting.

November meeting minutes were approved.

Meeting was adjourned at 7:15 p.m.

The formal February meeting didn't take place due to lack of attendance (only Chris Hilton and Mike Fatt attended). Therefore, the above agenda will again be used for March's meeting- with an emphasis on reviewing the letter sent from Chris Hilton to Advantage Physical Therapy.

**Next Meeting: 9 March 2010 at 6 :00 p.m. at Southside Bible Church**

Please note the meeting time change.
