Minutes from Meeting on 14 Sep 2010

Members Present: Harry Zimmerman, Linda Morris, Shelby Winslow, Bob Harland, Sally Wytko and Mike Fatt

City Representative: Chris Hilton

Guests:

This meeting was called to order at 6:00 p.m.

May minutes were approved.

Old Business:

Regarding Advantage Physical Therapy: Chris Hilton advised that The City has charged Advantage with violating codes regarding lack of proper maintenance and inadequate screening of their property. In a pre-trial hearing, Advantage claimed they were not guilty and the matter will go to trial. Chris will keep us advised of progress on this matter and we may have the opportunity to testify.

Chris also covered a number of public service issues and fielded questions.

Her response to these is attached.

New Business:

The matter of membership and attendance was discussed. The idea was expressed that we should generate some publicity regarding our meetings. At the same time, we could seek participation from potential members and solicit input from residents as to matters they would like to see addressed.

It was resolved that we'd consider a flyer that we'd circulate broadly through the NPC area in an attempt to address these issues (see very rough draft attached).

It was also asked that each member bring, to the October meeting, someone from the area they believe would be a candidate to be an active member.

The meeting was adjourned at 7:00 p.m.

Next Meeting: 12 October 2010 at 6:30 p.m. at Southside Bible Church
Please note the meeting time change.
