**INDEPENDENT AUDITORS' REPORT**

December 2, 2016

To the Honorable Mayor and City Commissioners  
of the City of Battle Creek and Direct Investment Fund Committee  
of Battle Creek Unlimited, Inc.  
City of Battle Creek, Michigan

**Report on the Financial Statements**

We have audited the accompanying financial statements of the enterprise funds of the *City of Battle Creek Direct Investment Funds Administered by Battle Creek Unlimited, Inc.* (the "Direct Investment Funds") (which consists of an enterprise fund of the City of Battle Creek, Michigan and an enterprise fund of the Battle Creek Downtown Development Authority, a component unit of the City of Battle Creek, Michigan) as of and for the year ended June 30, 2016, and the related notes to the financial statements, which collectively comprise the Direct Investment Funds' basic financial statements as listed in the table of contents.

***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

***Independent Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Direct Investment Fund's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

*Opinion*

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the enterprise funds of the City of Battle Creek Direct Investment Funds Administered by Battle Creek Unlimited, Inc., as of June 30, 2016, and the respective changes in financial position and cash flows thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

*Reporting Entity*

As discussed in Note 1, the financial statements present only the City of Battle Creek Direct Investment Funds Administered by Battle Creek Unlimited, Inc. and do not purport to, and do not present fairly, the financial position of either the City of Battle Creek, Michigan or the Battle Creek Downtown Development Authority, and the changes in their financial position and their cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

## NOTES TO FINANCIAL STATEMENTS

# CITY OF BATTLE CREEK DIRECT INVESTMENT FUNDS ADMINISTERED BY BATTLE CREEK UNLIMITED, INC.

## Notes to Financial Statements

### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The City of Battle Creek Direct Investment Funds Administered by Battle Creek Unlimited, Inc. (the "Direct Investment Funds") consist of the Economic Development Fund, an enterprise fund of the City of Battle Creek, Michigan (the "City"), and the Downtown Development Authority Revolving Loan Fund, an enterprise fund of the Battle Creek Downtown Development Authority (the "DDA"), a component unit of the City of Battle Creek, Michigan. The Direct Investment Funds provide financing to businesses to create and retain jobs in the City and DDA district, respectively.

The net position of the Economic Development Fund is the property of the City of Battle Creek; the fund was originally created by an appropriation from the City. The net position of the Downtown Development Authority Revolving Loan Fund is the property of the DDA; the fund was originally created by a grant received by the DDA from the Miller Foundation. Both the City and DDA contract with Battle Creek Unlimited, Inc. to administer these funds.

The accounting policies of the Direct Investment Funds conform with generally accepted accounting principles as applicable to proprietary funds. A summary of significant accounting policies follows.

#### Reporting Entity

These financial statements present the financial position, changes in financial position and cash flows of an enterprise fund of the City and an enterprise fund of the DDA; both funds are an integral part of the respective reporting entities. The Direct Investment Funds are not a component unit of the City, DDA or any other reporting entity, as defined by the Governmental Accounting Standards Board (GASB).

#### Basis of Accounting

The Direct Investment Funds are separate accounting entities with a self-balancing set of accounts used to report financial position, changes in financial position and cash flows. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain governmental functions and activities.

The Direct Investment Funds are operated as enterprise funds, which are used to account for those operations that are financed and operated in a manner similar to private business or where the governing body has decided that the determination of revenues earned, costs incurred and/or net income is necessary for management accountability. Enterprise funds are accounted for on the flow of economic resources measurement focus and use the accrual basis of accounting. Under this method, revenues are recorded when earned and expenses are recorded at the time liabilities are incurred.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The operating revenues of the City of Battle Creek Direct Investment Funds Administered by Battle Creek Unlimited, Inc. include interest on loans, loan fees and other revenue. Operating expenses of the enterprise funds include administration, a loan loss provision/recovery and other operating costs. All revenue and expenses not meeting this definition are reported as nonoperating revenues and expenses.

**CITY OF BATTLE CREEK DIRECT INVESTMENT FUNDS  
ADMINISTERED BY BATTLE CREEK UNLIMITED, INC.**

**Notes to Financial Statements**

**Deposits and Investments**

The Direct Investment Funds' cash and cash equivalents consist of demand deposits. Investments are stated at fair value and consist of U.S. treasury notes, Michigan municipal bonds and other U.S. government obligations.

State statutes authorize local governments to deposit in the accounts of federally insured banks, credit unions, and savings and loan associations, and to invest in obligations of the U.S. Treasury, certain commercial paper, repurchase agreements, bankers acceptances, and mutual funds composed of otherwise legal investments.

**Loans Receivable**

Loans receivable consist of balances outstanding from borrowers and are reported net of amounts estimated to be uncollectible.

**Net Position**

Restricted net position, if any, represents amounts that are for approved loan applications or minority lending.

**2. DEPOSITS AND INVESTMENTS**

**Deposits**

At year-end, the carrying amount and bank balance of the Economic Development Fund's deposits were \$797,259. Also at year-end, the carrying amount and bank balance of the DDA Revolving Loan Fund's deposits were \$313,116. Because it is infeasible to allocate risk to individual component units or pool participants, aggregate cash and investment categorizations are presented in the City's basic financial statements.

**Investments**

At year end, the fair value of the Direct Investment Funds' investment balances were as follows:

	Economic Development Fund	DDA Revolving Loan Fund
<b>Investments at fair value</b>		
U.S. agencies	\$ 761,016	\$ 643,758
Municipal bonds	4,880,000	175,000
<b>Total investments</b>	<b>\$ 5,641,016</b>	<b>\$ 818,758</b>

*Credit Risk.* All of the Direct Investment Funds' investments in debt securities of U.S. agencies are rated AA+ by Standard and Poor's. The municipal bonds are rated A- by Standard and Poor's.

*Custodial Credit Risk.* For investments, custodial credit risk is the risk that, in the event of the failure of the counterparty, the Direct Investment Funds will not be able to recover the value of their investments or collateral securities that are in the possession of an outside party. Although uninsured and unregistered, the Direct Investment Funds' investments are not exposed to custodial credit risk since the securities are held by the counterparty's trust department in the Direct Investment Funds' name.

The Direct Investment Funds' investment policies are not more restrictive than the investment policies authorized by state statute as listed in Note 1.

*Fair Value Measurements.* The Direct Investment Funds categorize its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; and Level 3 inputs are significant unobservable inputs. These levels are determined by the Direct Investment Funds' investment manager, and are determined at the fund level based on a review of the investment's class, structure, and what kind of securities are held in funds. The investment manager will request the information from the fund manager, if necessary.

**CITY OF BATTLE CREEK DIRECT INVESTMENT FUNDS  
ADMINISTERED BY BATTLE CREEK UNLIMITED, INC.**

**Notes to Financial Statements**

The Direct Investment Funds' recurring fair value measurements as of June 30, 2016 were related to its investments in government agency funds and municipal bonds. These investments are valued using significant other observable inputs of the underlying securities and bonds (Level 2 inputs).

**3. LOANS OUTSTANDING**

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING  
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS  
PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

December 2, 2016

To the Honorable Mayor and City Commissioners  
of the City of Battle Creek and Direct Investment Fund Committee  
of Battle Creek Unlimited, Inc.  
City of Battle Creek, Michigan

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the enterprise funds of the *City of Battle Creek Direct Investment Funds Administered by Battle Creek Unlimited, Inc.* (the "Direct Investment Funds") (which consists of an enterprise fund of the City of Battle Creek, Michigan and an enterprise fund of the Battle Creek Downtown Development Authority, a component unit of the City of Battle Creek, Michigan), as of and for the year ended June 30, 2016, and the related notes to the financial statements, which collectively comprise the Direct Investment Funds' basic financial statements, and have issued our report thereon dated December 2, 2016.

#### Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Direct Investment Funds' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Direct Investment Funds' internal control. Accordingly, we do not express an opinion on the effectiveness of the Direct Investment Funds' internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

## Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Direct Investment Funds' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Direct Investment Funds' internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
