Certificate of Insurance

A Certificate of Insurance in the amount of at least \$500,000 which shall include the description, date and location of the event may be required by Risk Management and must be provided no less than 30 days prior to the event. If you are serving or selling alcohol, an additional \$1,000,000 Liquor Liability Certificate of Insurance is required in addition to your General Liability Insurance. **The City of Battle Creek must be listed as the Certificate Holder and shall be named as an "Additional Insured"**. The City reserves the right to require higher levels of insurance based on the risk factors and past experience. Please contact Risk Management at (269) 966-3377 with any questions regarding insurance requirements.

Guidelines and Rules

- **Alcoholic Beverages** - Consumption of alcoholic beverages on any public property including streets and parks **is prohibited**. Provisions are made for special events when appropriate permits and licenses are obtained from the Michigan Liquor Control Commission (MLCC). NOTE: only non-profit organizations can apply for and receive special liquor licenses from the MLCC.
- **Concessions/Vendors** – Vendor Permits are not required for vendors who have written permission from the event organizer to be a part of the event. On-site preparation of food and drink requires both State and County Health Department approval. Permits must be available for review on event day.
- **Picnic Tables** – If available, picnic tables are for community-wide or city-sponsored events and will be invoiced.
- **Route Markings** – Only a removable medium such as chalk and/or tape can be used to mark event areas or route. **No paint of any kind is permitted**. Tape must be removed once event is over.
- **Vehicles in the Park** – Vehicles are allowed only on public access roads within the City Parks.
- **Street Closings** - If event organizers plan to close a street, the event organizer should survey the surrounding businesses or residents to obtain initial permission. Every attempt should be made to host an event in an area that does not require a street closing. If street closings are required, a written request outlining specific streets and intersections, times of closing and reasons must be included with the Special Event Application. Once a route has been selected and approved, changes cannot be made.
- **Barricades** – Placement of barricades, if requested, will be done by Field Services personnel alongside the road at the point of the road closure. Installation of the barricades near the time of the special event will be required to be completed by the event coordinator. Posting of the permit will be required on the barricades. (Fees, if applicable, will be invoiced)
- **Insurance** – The City requires the organizers to carry liability insurance coverage naming the City as an “additional insured” with a minimum CSL (Combined Single Limit) of at least \$1,000,000 for any activities or events involving the following:
 - ✓ Animal exhibits
 - ✓ Fireworks
 - ✓ Motor vehicles used in any fashion
 - ✓ Serving of food (except pre-packaged items or soft drinks)
 - ✓ Use of City owned vehicles, equipment or facilities
 - ✓ Serving of alcoholic beverages

*If alcohol will be served, Liquor Liability coverage will also be required

(The City's Risk Management Department may increase, reduce or waive these requirements or apply them to other unspecified activities.)
- **Use of Tents and Shelters** - Tents larger than 100 square feet will require a [building permit](#) and approved inspection from the City of Battle Creek's Inspections Department (269) 966-3382. **Staking of tents is not permitted in McCamly Park, Monument Park or Friendship Park.**
- **Sanitary Facilities** – Restroom facilities may be required depending upon the size and type of event. If there are no permanent toilet facilities, event organizers should provide *one toilet (porta potty) for every 200 people expected to attend the event*. Special event organizers are expected to provide their own receptacles, dumpsters and portable toilets. All portable restroom facilities must be removed before the beginning of the next business day. The organizer is responsible for making arrangements for additional facilities, if required. Restrooms are available at Binder Park Golf Course; Claude Evans Park; Fell Park and Willard Beach. Contact should be made with the Parks and Recreation Department regarding the opening of restrooms at Fell Park and Claude Evans Park (a deposit may be required).
- **Clean Up and Trash Receptacles** – All organizers are responsible for the removal of trash and debris. If event area is not returned to the original condition, the City will provide the cleanup services and assess cost to the organization.
- **Damages** – The City retains the right to assess for damages. It is important that each special event/festival have volunteers assigned to the duty of monitoring the park and/or City property used.
- **All fees and charges will be invoiced following your event.**
