

City of Battle Creek
Sustainable BC Committee
Dept. Public Works, 150 S. Kendall
Room 204

Monday, May 20, 2019, 1:30pm

The purpose of this Committee is to increase the City's efforts to incorporate environmentally responsible, cost effective policy in the planning, administration and economic development of its built infrastructure and natural resources. The Committee may make recommendations to the City Commission for their consideration and will be available as a resource on sustainability policy.
