Have any changes been made to the drainage system from the licensed premises since the initial application?

☐ Yes ☐ No If yes, you must supply evidence for the City to determine that the drainage from the licensed premises will be contained in a detention or retention pond approved by the City Engineering Division or directed to the municipal storm water system.

Have any changes been made regarding underground storage tanks on the site since the initial application?

☐ Yes ☐ No If yes, you must attach the license from the Michigan Department of Environmental Quality for all underground storage tanks on site.

Additional Required Information

The following items are required to be submitted with the application:

- Site plans, drawn to a scale of at least 1 inch to 100 feet
- Copy of State of Michigan license (renewals only)
- Evidence of ownership of the premises or an executed lease for the licensed premises
- Copy of the repair facility registration or a written service agreement with a registered repair facility
- Copy of license from the Michigan Department of Environmental Quality for underground storage tanks on site, if applicable (initial application)
- Evidence that the drainage from the licensed premises will be contained in a detention or retention pond or directed to the municipal storm water system (initial application)

I agree to operate the aforementioned business in compliance with the guidelines established pursuant to Chapter 862 of the Codified Ordinances of Battle Creek, Michigan.
